- observe the highest standards of impartiality, integrity and objectivity in relation to the governance of NEMAT;
- be accountable to its stakeholders and regulatory bodies for its activities;
- engage in a partnership with the Executive Team.

2. Expectations of NEMAT Trustees

All Trustees are required to:

- follow the Seven Principles of Public Life set out by the Committee on Standards in Public Life (referred to as "the Nolan Principles" and set out in Annex 1);
- comply with:
 - the Articles of Association,
 - these terms of reference,
 - the scheme of delegation to the Executive Team,
 - the conflicts of interest policy,
 - the code of practice.
- ensure they understand their duties, rights and responsibilities, and that they are familiar with the function and role of NEMAT;
- not misuse information gained in the course of their Trusteeship for personal gain, nor seek to use the opportunity of service to promote their private interests or those of connected persons, firms, businesses or other organisations;
- participate actively in the induction process and any relevant training.

3. Powers, functions and responsibilities of Trustees

The Trustees are responsible for the governance and supervision of the Academy Trust and its committees (including the Local Governing Bodies). The Trustees have a number of duties and responsibilities relating to the governance of the Academy Trust and its finances. In summary, the Trustees are responsible for:

- establishing the vision, mission and values for the Academy Trust;
- carrying on the Academy Trust in accordance with the objects of the Academy Trust as set out in the Articles of Association and safeguarding the assets of the Academy Trust;
- designing strategy and structure for the operation of the Academy Trust;
- the delegation of the running of the Academies and the direction of the education, pastoral care, financial and other policies of the Academies to the Executive Team;
- ensuring sound management and administration of the Academy Trust by the Executive Team, and ensuring that the Executive Team is equipped with the relevant skills and guidance;
- financial controls and the financial management of the Academy Trust in accordance with the provisions of the Academies Financial Handbook, which sets out in detail provisions for the financial management of the Academy Trust;
- setting standards of conduct and values, monitoring performance and the achievement of objectives, and ensuring that plans for improvement are acted upon;
- risk management, that is identifying, quantifying and devising systems to minimise the major risks affecting the Academy Trust; and
- ensuring the Academy Trust and the Academies are conducted in compliance with the general law.

4. Accountability of Trustees

The Trustees are chiefly accountable to:

- the beneficiaries of the Academy Trust (pupils at the Academies, their parents and the local community) for the quality of education and pastoral care at the Academies, for matters of health and safety and for safeguarding and promoting the welfare of the pupils;
- the DfE, the Education and Skills Funding Agency and specifically the Secretary of State under the terms of the Funding Agreement;
- the Secretary of State (in his or her role as principal regulator in respect of charity matters) for operating the Academy Trust for the public benefit, for the prudent management of the Academy Trust and its financial efficiency, and for compliance with legislation including charities legislation;
- the employees of the Academy Trust for their working environment, and for compliance with the contract of employment and employment law requirements and matters of health and safety; and
- other regulatory authorities for compliance with regulated responsibilities to which the Academy Trust and the Academies are subject.

5. Conducting Trustees' business

The Trustees are required to:

- act together and in person and not delegate responsibility of the Academy Trust to others;
- act strictly in accordance with the Articles;
- act in the Academy Trust's interests only and without regard to their own private interests;
- manage the Academy Trust's affairs prudently;
- not take personal benefit from the Academy Trust unless expressly authorised by the Articles or the Charity Commission; and
- take proper professional advice on matters on which they are not themselves competent.

The Trustees should also hold the Executive Team to account. They should offer support, constructive advice, be a sounding board for ideas, a second opinion on proposals and help where needed, but will also challenge, ask questions, seek information and improve proposals where appropriate and at all times act in the best interests of the Academy Trust. The Trustees shall have regard to the framework for inspecting schools in England under section 5 of the Education Act 2005 (as amended) issued by the Office for Standards in Education, Children's Services and Skills (Ofsted). The Trustees shall have regard to the Academies Financial Handbook.

6. Chair of Trustees

The Board shall appoint an individual from among their number to act as Chair. A change of Chair will require a notification to be made to the DfE, including a Disclosure and Barring Service (DBS) disclosure form to be submitted via the DfE. The main role of the Chair is to chair meetings of the Trust Board. He or she also provides leadership to the Trustees and acts as the main point of contact between the Trustees and the Executive Team. Apart from any special responsibilities or powers given to the Chair in the Articles of Association (e.g. the right to chair meetings of the Trust Board and to have a second or casting vote in any case of an equality of votes at a meeting of the Trust Board), the Chair has no special powers or rights over any other Trustee. If the Chair is to carry out certain specific functions (for example, the power to approve an over-spend in a certain area of the budget or the EHT's appraisal) then this must be expressly delegated to him by the Board.

7. Meetings of Trustees

There will be a minimum of three meetings of the Trustees each academic year. Meetings of the Trustees shall be convened and conducted as provided by the Articles.

In determining the agenda for Board meetings and committee meetings, the Trustees will have regard to the requirement on them to:

- ensure good financial management and effective internal controls;
- comply with the Funding Agreement and the current version of the Academies Financial Handbook (or successor documents);
- receive and consider information on financial performance at least three times a year; and

- take appropriate action to ensure ongoing viability against agreed budgets.

In consultation with the Chair, the Clerk to the Trust Board shall prepare an annual plan for the meetings of the Trustees.

8. Delegation of powers of Trustees

Trusteeship (and directorship which necessarily follows) is a personal office of trust and responsibility and this cannot be transferred to another individual. However, in order to ensure the proper management of the Academies, the Trustees are able to delegate specific tasks to assist them in carrying out their duties and obligations. It is for the Trust Board to determine what decisions it will take for itself, what will be delegated to committees, working groups or individual Trustees (e.g. the Chair) and what will be delegated to the Executive Team. The Trustees must also consider when and from whom they should take professional advice. In determining whether delegation is appropriate, the Trustees will have regard to the following principles:

- non-executive powers must be exercised by the Trustees personally and may not be delegated;
- except when it is impracticable to do so, executive powers should be delegated to the Executive Headteacher and Director of Operations and Finance, who may authorise further delegation; and
- every act of delegation is only a delegation of powers and does not relieve the Trustees of responsibility.

The Trustees must not delegate any of their powers listed in Annex 2 ("the Reserved Matters").

Delegation can be made to:

- Board committees including the following committees:
 - Finance, Audit, Premises and HR,
 - Pay
- the LGBs;
- any individual Trustee;
- the Executive Team (which in turn may delegate to further individuals).

9. Stakeholder voices

Trustees are asked to have regard to the voices of their various stakeholders and to put in place arrangements to receive feedback and to respond appropriately. This shall include the following, as they are involved in other elements/tiers of trust governance and more broadly:

- a) Pupils
- b) Parents
- c) Staff

10. Risk management

The charities statements of recommended practice ("the SORP") set out requirements for reporting on the risks to a charity.

The Trustees' report therefore must include a description of the principal risks and uncertainties facing the Academy Trust and any subsidiary undertakings, as identified by the Trustees. The report must also include a summary of the Trustees' plans and strategies for managing these risks. The Trustees must identify specific risks and describe ways to combat each one, rather than making general statements regarding risk management.

The Trustees are therefore responsible for:

- identifying the major risks that apply to the Academy Trust, including:
 - operational risks (employment issues, health and safety, fraud, service quality and development etc.);
 - financial risks (accuracy of financial information, cash flow, reserves, over-reliance on funding sources etc.);
 - external risks (changes in government policy, economic factors, demographic changes, adverse publicity etc.); and

- regulatory risks (compliance with legislation, changes in policies of the regulators etc.).
- making decisions (based where appropriate on advice from professional advisors) as to how to respond to those risks; and
- making appropriate statements regarding the management of risks in the annual report.

The Trust Board, supported by the Executive Team, shall prepare a risk register for approval by the Trustees, along with a procedure by which the risk register shall be subject to regular review. The risk register shall have named individuals assigned to manage each area.

11. The management of conflicts of interest

The Companies Act 2006 imposes a statutory duty on the Trustees to avoid situations in which they have or could have an interest, which conflicts (or could conflict) with the interests of the Academy Trust. The duty is to:

- a) declare the nature and extent of any interest in any matter relating to the Academy Trust;
- b) avoid any conflict of interest between that interest and the interests of the Academy Trust.

In addition, charity law and guidance issued by the Charity Commission confers obligations on the Trustees to manage any conflict between a Trustee's duty to the Academy Trust and their own personal interests or for a Trustee to be influenced by conflicting duties to the Academy Trust and a third party.

Further details are set out in the Academies Financial Handbook with which the Trustees are obliged to comply.

12. Recruitment of Trustees

It is essential that the Trust Board has a proper mix of skills and experience. The Trustees must therefore be able to identify potential new Trustees in order to plan for succession, which combines continuity of experience and expertise with new ideas and energy.

The Board as a whole is responsible for ensuring that:

- the skills of any new Trustee fit in with the Academy Trust's requirements in the short, medium and longer term;
- each new Trustee is not disqualified from acting as a Trustee by any provision of the Academy Trust's Articles of Association (including the requirement that he is not disqualified as a company director or charity trustee);
- there is a system in place which ensures that all relevant checks, including an enhanced DBS check (countersigned by the Secretary of State in the case of a new Chair), are completed before or as soon as practicable after a Trustee takes up position; and
- the new Trustee understands the responsibility he / she is taking on and consents to act as a Trustee.

Each new Trustee will be properly inducted to ensure that he / she understands the nature and extent of his role and responsibilities. It is the duty of a new Trustee to ensure that he / she is familiar with the Objects of the Academy Trust; its history and ethos and the nature and extent of its activities; and the content of the Academy Trust's Articles of Association.

The Trustees shall provide each new Trustee with:

- the Academy Trust's Articles of Association
- the NEMAT Governance Charter
- these terms of reference
- the scheme of delegation to the Executive Team
- the Roles and Functions Matrix and

New Trustees shall be required to sign a declaration to this effect.

The Clerk to the Trustees shall ensure that any appointment of a new Trustee is notified to the ESFA (via the Information Exchange) within 14 days of the appointment (as required under the Academies Financial Handbook).

13. Training and development of Trustees

The Trustees shall ensure that the Board has the skills and experience needed to perform its functions effectively. Trustees shall also be kept up to date with developments in the legal and regulatory framework in which the Academy Trust operates.

The Trustees must have in place a system for evaluating Trustees, with a view to identifying potential gaps in their skills and any requirements for training. Such evaluation shall be carried out annually.
